One of the most beautiful voices in music arrives with everything in his new single

August 11, 2023 By: Tati Teixeira (As translated from Portuguese)

One of the most beautiful voices in contemporary pop, Micah Sheveloff has just released his intense new single, a lively track that moves the listener.

Stand Me Up Again is the name of the new single from the talented and genius Micah Sheveloff, the artist who brings a fresh and innovative pop gives us chills with this new single.

The track brings a delicious and authentic mix of pop, innovation and soul, it is a sophisticated track, with high sensitivity and a lot of delicacy, this song is mesmerizing, sentimental and conquers us right at the beginning.

The instrumental, with the sophistication and intensity of the piano, makes us want or go without stopping the track, pulls us out of the daily chaos and makes us have a moment for ourselves. listening.

Micah's voice is one of the most beautiful and powerful in the current pop world, he manages to bring the words expressed to life, making them reach us, warming our hearts.

This song is a rare gem in contemporary pop, a true gift that Micah Sheveloff has given us.
